Night ride

When I can't sleep
I shut my door
And sit on the rug
On my bedroom floor.

I open the window.
I close my eyes
And say magic words
Till my carpet flies.

Zooming over gardens,
Chasing after bats,
Hooting like an owl
And frightening the cats.

Then when I feel sleepy
And dreams are in my head,
I fly back through my window
And snuggle down in bed.
