Go to see-saw5. Click on the link to Starfall6. Revise SATPIN sounds

Please do not return the Planet Maths book to school. This book is to be kept at home at all times. Maths homework can be submitted by taking a photo of the page when it is done and uploading it to See Saw.

Reading Sheets: These contain sight words that need to be learned by heart if possible. The sight word to be learned is in a box before the sentence. Your child can colour in the word once they know it.

Word boxes: These words do not have to be learned off by heart. They are for the children to practise sounding out and blending sounds together.
