

Attendance Campaign – December 2022

Students who consistently miss school are at risk of lower academic achievement and even dropping out of school altogether.

Dear Parents/Guardians

We are running an **Attendance Awareness Campaign for December 2022**. The aim of the campaign is to raise awareness among students and parents and guardians about the importance of attending school every day from Monday-Friday respectfully. **Every day a student is absent is a lost opportunity for learning.**

Month	2021 / 2022
August	94.2%
September	86.6%
October	84.6%
November	86.8%
December	77.8%

We have a very busy and enjoyable schedule in St Joseph's Convent School over the coming weeks (**Christmas Concerts, Pantomimes and Santa visit**), we expect every child to be present for the month of December (except if they are sick).
